Dear Sir,

I hope this email finds you well. My name is Soumen Paul, and I am writing to sincerely apologize for my actions regarding Homework 03.

Unfortunately, I was unwell and, in a moment of poor judgment right before the submission deadline, I copied Tushar's work without his knowledge or consent. I deeply regret my actions and understand that this was a clear violation of academic integrity.

I take full responsibility for my mistake and assure you that it was not done out of disregard for the rules but rather a lapse in decision-making under pressure. I am genuinely sorry and am committed to ensuring this will never happen again.

Please let me know if there are any steps I should take to address this matter appropriately. I appreciate your time and understanding, and I will strive to uphold the standards expected in the future.

Thank you for your consideration.

Sincerely,
Soumen Paul Chinna,
